TECHNICAL DATA SHEET

**ANTIQUAX LEATHER
RECOLOURING BALM**

Type	An aqueous based blend of pigments in an easy to apply balm
Intended Use	To restore the colour to faded, worn or dry leather furniture, car leather, jackets, clothing, shoes and equine leather. Available in Black, Dark Brown and Cream.
Special Features	Easy to apply coloured balm designed to renovate the colour and aspect of old and new leather that has faded, worn or dry. Ideal for leather that have been bleached by sunlight, exposed to direct heat or damaged by scratches or abrasion.
Preparation	Before using the balm, clean the leather using Antiquax Leather Cleaner .
Application	Always test on an unseen area before use to ensure the colour shade is correct. The more balm that is applied, the darker the leather becomes. This will enable varying shades of colour to be achieved. Rub the balm into the leather in a circular motion and wait for 5 minutes for the balm to properly penetrate the leather. Buff over with a clean dry cloth. It is recommended that after applying the Balm that Antiquax Leather Protection Cream is applied to protect the leather from fading and future damage.
Coats	One application is usually sufficient. Apply further coats to darken colour if necessary.
Drying Time	5 -10 minutes depending on temperature.
Re-coating Time	5 -10 minutes depending on temperature.
Application Temp.	Ideally 15-25°C
Coverage	N/A
Maintenance	Apply the balm when it is seen that the leather has become faded, worn or dry, but clean first with Antiquax Leather Cleaner .
Compatibility	Not compatible with Suede and Nubuck
Settlement	N/A
Shelf-life/Storage	Many years in normal conditions if stored in original, tightly closed container. Protect from frost. Do not store below 5°C.
Hazards	Keep out of reach of children. Do not swallow. Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of warm water and seek medical advice. After use, wash hands and dry them. A full Health & Safety Data sheet is available on request or on www.Antiquax.co.uk
